

The Rainbow Connection (Apul Williams and Kenny Archer)

[G] Why are there [G6] so many... [Am] songs about [D7] rainbows

And [G] what's on the [G6] other [C] side? [D7]

[G] Rainbows are [G6] visions, but [Am] only ill[D7]usions

And [G] rainbows have [G6] nothing to [C] hide

[Am7] So we've been told and some choose to believe it

[Bm7] I know they're wrong, wait and see

[Am7] Someday we'll [D7] find it, the [Bm7] rainbow
con[E7]nection

The [Am] lovers... the [D7] dreamers... and [G] me

[G] Who said that [G6] every wish... would [Am] be heard and [D7] answered

When [G] wished on the [G6] morning [C] star? [D7]

[G] Somebody [G6] thought of that, and [Am] someone be[D7]lieved it

[G] Look what it's [G6] done so [C] far

[Am7] What's so amazing that keeps us star gazing

And [Bm7] what do we think we might see?

[Am7] Someday we'll [D7] find it, the [Bm7] rainbow
con[E7]nection

The [Am] lovers...the [D7] dreamers ...and [G] me

[G] Have you been [G6] half asleep... and [Am] have you heard [D7] voices?

[G] I've heard them [G6] calling my [C] name [D7]

[G] Is this the [G6] sweet sound, that [Am] calls to young [D7] sailors?

That [G] voice might be [G6] one and the [C] same

[Am7] I've heard it too many times to ignore it

It's [Bm7] something that I'm supposed to be

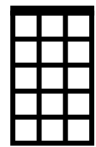

[Am7] Someday we'll [D7] find it, the [Bm7] rainbow
con[E7]nection.

The [Am] lovers...the [D7] dreamers...and [G] me
