No communications from TAT or Region were received in the last fortnight.

## **VOLUNTEERS 1**

### ***90 DAY NOTICE -WE NEED A VICE CHAIR - AND COMMITTEE MEMBERS!***

Our AGM is coming up in April and we will need a new Vice Chair, ideally someone amenable to the idea of becoming Chair at some time in the future. We have lots of things we would like to do, especially in relation to the end of the pandemic, and also need some new committee members to help with this. Further details and nomination forms will be available shortly. I am happy to discuss this with anyone interested (no obligation) and our open and friendly committee would welcome anyone who would like to sit in on a meeting prior to making a decision. ## **VOLUNTEERS 2**

I am still hoping to get a small working group together to discuss via Zoom ways in which the Network can help U3As who may have difficulty finding volunteers, especially for committees. If anyone has experience of recruiting volunteers and would like to join this temporary group, which would involve some reading, thinking and a couple of meetings, please contact me. You don't need to be a U3A committee member or Network member to do this, so if any of you have people in your U3A who might be interested in helping with this, please let them know! ## **OUR SPEAKER LIST**

Martin Alexander is updating the speaker list and it will include Zoom speakers. He has emailed a request to his contacts for updates, and if anyone else has come across speakers that they have enjoyed, please pass them to me and I will send them on to Martin as well.
