

WHO DO YOU THINK YOU ARE?

Interested in finding out more about your family's history?

Perhaps where your ancestors originated from and how they made their living?

Have you.....

Thought of tracing your ancestors but do not know how to get started? - we can help set you on the right track.

Just started your research and need more help, why not come along and see what we can offer?

Our meetings comprise talks by members on their personal experiences, videos on genealogy and social history, and most importantly we can help you break down those 'brick-walls' that prevent you travelling back in time, using live searches of genealogical websites.

We are not all experts, just a friendly group of people with a common interest.

We meet in the afternoons of the 3rd Tuesday of each month, either at a member's home or via Zoom.
